High School Student Recruitment Opt-Out Form (to prevent school officials from releasing student's personal information to Military, Athletic and College Recruiters)

Dear Administrator of Manson Northwest Webster High School:

I understand that the No Child Left Behind Act of 2001 allows a student or a student's parent/guardian to prevent the release of personal information to military recruiters. In addition, the Manson Northwest Webster School District is extending that choice to college and athletic recruiters also. Please read carefully, make the appropriate selections, and return to your student's high school office.

_____ I request that the above student's name, address, and telephone number not be released to following recruiters (please circle all that apply):

Military recruiters
Athletic recruiters
College recruiters

Signature of parent or guardian: _____

_____ I am 18 years old and request that my name, address, and telephone number not be released to the above circled recruiters.

Signature of student: _____

_____ I further request that the above named student not be removed from an academic class to meet with the following type of recruiter (please circle all that apply):

Military recruiters
Athletic recruiters
College recruiters

Signature of parent or guardian: _____

The No Child Left Behind Act of 2001 (Section 9538) requires that high schools must provide military recruiters access to student names, addresses and telephone listings. Parents or students may request that this information not be provided without written parental/guardian consent and districts must comply with all such requests.

The completion and return of this form serves as your request to withhold release of the student's private information to Military Recruiters. It also allows you to withhold the release information to other types of recruiters mentioned above.
